

1 CAT 6e UTP RJ-45 Full Sets Patch Panel

**Benefits & Features**

Exceptional material properties and design

Integrated full installation accessories ( supplied free of charge), including labels and icons, clip organizers and T-raps- providing a simple and elegant cable termination and identification.

Optional plastic front panels

Optional back-side cable management with clip organizer and trap connection - providing simple and easy cable handling.

Exceeding Category 6 performance - providing full support to Gigabit Ethernet over Category 5e and Category 6 cabling systems.

High quality metal casing

Available in T568A, T568B or Universal pin/pair assignment

PHYSICAL AND MECHANICAL PROPERTIES

	CAT 6e UTP RJ-45 Set
Cable suitable for temination, conductor cross sections	22 to 26 AWG, Solid or stranded Cables
Material of construction	Galvanized Steel
Standard Color	Black
Connector module holder	High impact, Flame-retardant plastic compound, UL 94 V-0
Housing material	High impact, Flame-retardant plastic compound, UL 94 V-0
Plug Retention Force	50N min.
Plug insertion durability	750 mating cycles
Storage temperature range	
Temperature operating range	-40 to +60C
Packaging	One unit per box
